

BY TRAIN...

There is a regular train service from London Liverpool Street station to Billericay station, with trains running three times an hour. The journey time is approximately thirty minutes. The train can also be taken from Stratford station. There are connections to Billericay via Shenfield station to Chelmsford, Colchester, Ipswich and East Anglia.

BY ROAD...

Main Road Route

From the M25 Junction 28, take the A12 towards Chelmsford. Take the first exit, which is the Shenfield / Mountnessing exit and at the roundabout at the end of the slip road turn left. This immediately takes you to another roundabout, here take the second exit (to the right) towards Billericay. Follow this road under a bridge and then all the way to the end to a mini roundabout. Turn left at this roundabout into London Road, and follow the main road down to Billericay. When you get to the first set of traffic lights, where there is a Ford garage, turn left into Western Road. Follow this to the traffic lights at the end, which will be at the end of the high street, and then turn left. At the first mini roundabout turn left into Radford Way, and follow past the station down the hill. Station Court will be on your left hand side after passing the whole of the station car park. Take the second entrance into Station Court, next to the red office building and look for the N&G parking signs.

Quicker Route through Country Lanes

From the M25 Junction 28, take the A12 towards Chelmsford. Take the first exit, which is the Shenfield / Mountnessing exit and at the roundabout at the end of the slip road turn left. This immediately takes you to another roundabout, here take the second exit (to the right) towards Billericay. Follow this road under a bridge, and when you come to a 90 degree right hand bend take the left hand road, which is Old Church Lane, effectively carrying straight on instead of going round the sharp bend. Follow this road until you come to the end, and then turn right into Old Church Road. Be careful of the blind bend just to the right of you when you pull out of this junction. Follow this road all the way to the end. At the end at the bottom of the hill turn right into Mountnessing Road. The road will then follow over a small bridge and you will then come back into a built up area. Follow the road to the roundabout at the end and take the second exit into Radford Way. Follow the road up the hill and just after the crest of the hill turn right into Station Court, next to the red office building and look for the N&G parking signs.

From Chelmsford

Take the A12 from Chelmsford and exit the A12 at the Billericay / Stock exit. At the roundabout at the end of the slip road turn left towards Stock. Follow this road, the B1007 Stock Road, down through Stock and into Billericay. At the first roundabout, go straight over. At the mini roundabout, before you reach the traffic lights for the high street, turn right into Radford Way. Follow the road past the station down the hill, and Station Court will be on your left hand side after passing the whole of the station car park. Take the second entrance into Station Court next to the red office building, and look for the N&G parking signs.
